

## See What Others Are Saying About Our Training

*"This training has totally changed my perspective on people with disabilities."*

**CMS Duals Insurance Provider, Boston**

*"The training was amazing. It really opened my eyes to a different understanding of people with disabilities."*

**Aging Services Provider, Case Manager**

*"There is so much that was covered in this training. I think that the curriculum had great flow."*

**Community Services Organization, Administrator**

*"I learned a lot about many of the overlooked issues people with disabilities face on a daily basis. Thank you for the education and great presentation."*

**Municipality, Director of Services**

## Our daily work is guided by Our Vision Statement:

Northeast Independent Living Program is known throughout the state for helping individuals regain and retain their independence and equality in the community through Information & Referral, Advocacy, Skills Training, Peer Counseling and Transitions.

We are a community of people who open doors to create an all-inclusive community free of communication, attitudinal, economic and architectural barriers for all people with disabilities.

# A Sample of Our Education Curricula

Independent Living Movement and Civil Rights

Americans With Disabilities Act (ADA) Awareness and Compliance

Multicultural Awareness in the Disability Community

Disability Etiquette

The Peer Voice and What it Means

The Power of Language

Intersectionality

*We provide training and consulting to local, regional and national entities.*

*Our curriculum fits into your New Hire Orientations.*

## What We Offer

- Disability Cultural Competence Workshops in both Remote Learning and In-Person formats.
- Consulting Services to bring your organization or municipality into compliance with the Americans with Disabilities Act (ADA).
- Continued Education Units (CEUs) for Nurses and Social Workers and Professional Development for all occupations.
- Fully Customized Training and Technical Assistance Services to meet your needs.

## Our Peer Perspective Sets Us Apart!

We are persons with disabilities and/or have many years of training and consulting experience in the disability community.

Our combination of lived experience and technical expertise can help your organization deliver quality and culturally competent services.
